Grasso's Italian Restaurant has been in operation since 1955. Since then 2 Families have owned Grasso's. It all started when 2 sisters, Giacinta Grasso and Blanche Fornasero, turned their home into the Restaurant in order to serve the finest Italian food in the Imperial Valley for their Friends and Family. Ed and Mary Baran bought Grasso's from Blanche and Joe Fornacero in 1976. The Baran's operated the Restaurant with the help of their children Hank and Liz. In 2003 Hank and Sue Baran bought Grasso's and continue to operate the Restaurant with their daughters Tori and Alex. The Baran's have continued to use the freshest ingredients with the same authentic recipes while adding a few of their own.

Grasso's is still in the same house at 1902 West Main Street in El Centro...its just a different color!

Grasso's Italian Restaurant is an "Imperial Valley Tradition" and we look forward to welcoming you to our family to be part of the tradition.
